City of Montpelier

FEMA Repairs 4720

Invitation for Bids

The City of Montpelier will receive bids at the office of the Public Works Director, Public Works Garage, 783 Dog River Road, Montpelier Vermont 05602 until **December 30, 2026 at 11:00 AM**, at which time the bids received will be publicly opened and read. The projects presented in this Invitation for Bids consist of construction of drainage improvements on Deerfield Drive and two culvert replacements on North Street. See Information for Bidders for submission instructions.

Bids will be received on a unit price basis for three separate project sites. The City may award a single contract based on the lowest responsive, responsible aggregate bid, but reserves the right to award individual sites or combinations of sites separately if in the City's best interest.

Contract documents are on electronic file and may be obtained at no cost from the Department of Public Works. Requests for contract documents can be made by emailing Peter Arts at parts@montpelier-vt.org. Prospective bidders requesting documents will be automatically registered as document holders and will receive all subsequent addenda and bidding-related notifications. To submit a valid bid, bidders must be registered document holders and must acknowledge issued addenda and submit the completed bid package.

The City of Montpelier reserves the right to reject any or all bids or to waive any informality or irregularity.

Bids may be held by the City of Montpelier for a period not to exceed sixty (60) days from the date of the bid opening for the purpose of reviewing the bids and investigating the qualifications of the bidders prior to awarding the contract.
