Beginning July 1, 2022, this act requires the Agency of Human Services (AHS) to provide coverage of Health Care Services for children and pregnant individuals who have an immigration status for which Medicaid coverage is not available and who are otherwise uninsured. The act specifies that the same confidentiality provisions will apply to the new coverage as apply under the Medicaid program, except that it prohibits AHS from making information about applicants or enrollees available to the federal government. During State Fiscal Year 2022, AHS is required to provide grants or reimbursement to Providers delivering Health Care Services for children and pregnant individuals who have an immigration status for which Medicaid coverage is not available, as a bridge to the Act 48 program described above that begins July 1, 2022.
- b. "Act 48 Provider Attestation Form" means the attestation form completed and signed by the Provider when submitting a claim.

- g. "Patient" is a person receiving Health Care Services by a Provider or Practice under Act 48 requirements.
- h. "Practice" means a health care provider or group of providers located at a single geographic location.
- i. "Program" means the implementation of Act 48 as required in this Attachment A.
- j. "Provider" means an individual who is licensed, certified, and/or accredited to provide Health Care Services to Patients in accordance with their scope of practice and applicable professional standards.
