REQUEST FOR PROPOSALS

Notice is hereby given that **proposals** will be received by the City of Montpelier, Vermont, for furnishing the following product:

Wastewater Resource Recovery Facility Flood Protection Design

In accordance with Montpelier City Policy, the City of Montpelier Public Works Department is soliciting proposals from qualified firms to provide design services for flood protection for the City of Montpelier's Wastewater Resource Recovery Facility. This Request for Proposals (RFP) seeks to establish an agreement with one qualified consultant or consultant team to evaluate flood risk, design flood protection infrastructure, and prepare construction bid documents.

Copies of Request for Proposal and attachments documents may be obtained from the Montpelier Public Works Office via email request to jpowers@montpelier-vt.org and parts@montpelier-vt.org.

One electronic copy of the proposal must be submitted to the Department of Public Works no later than **December 18, 2026.** Facsimile bids will not be accepted. Any proposer may withdraw their proposal, without obligation, at any time prior to the scheduled closing time for receipt of proposals. A withdrawal will not be effective unless made personally or by telephonic notification received prior to the closing date. Proposals may later be referred to the City Council for appropriate action. The City reserves the right to reject any or all proposals as the best interests of the City may dictate.
